TEACHER & CLASSROOM RATIOS

We are committed to offering low child/teacher ratios in all classrooms. Lower ratios enable us to recognize and focus on your child's success. We strive to provide certified teachers for all preschool classes.

MDO/PRESCHOOL CURRICULUM

The Wee Learn Curriculum is used in our MDO and Preschool programs. The Bible based activities are organized by topics, using learning centers that include science, nature, art, dramatic play, music, finger plays, rhymes and group time.

Preschool emphasizes pre-kindergarten skills. MDO focuses on your child's developmental stages and builds skills through social and interactive play. We also want your child to develop an awareness that school is a fun, safe place where they can enjoy learning and playing with friends.
